

Dollar for Dollar GCAGS is Your Cost-Effective Marketing Medium

In 2010 GCAGS will deliver what you need: oil and gas-focused clientele at pricing you can justify to management. A 10x10 (minimum size) booth costs \$1000 and includes the following:

- A skirted table, 2 chairs & wastebasket
- Booth carpeting
- 24-hr. perimeter security
- Your company description listed online and in the printed program booklet
- VIP passes for your guests
- 2 complimentary FULL registrations for every 100 sq. ft. you rent

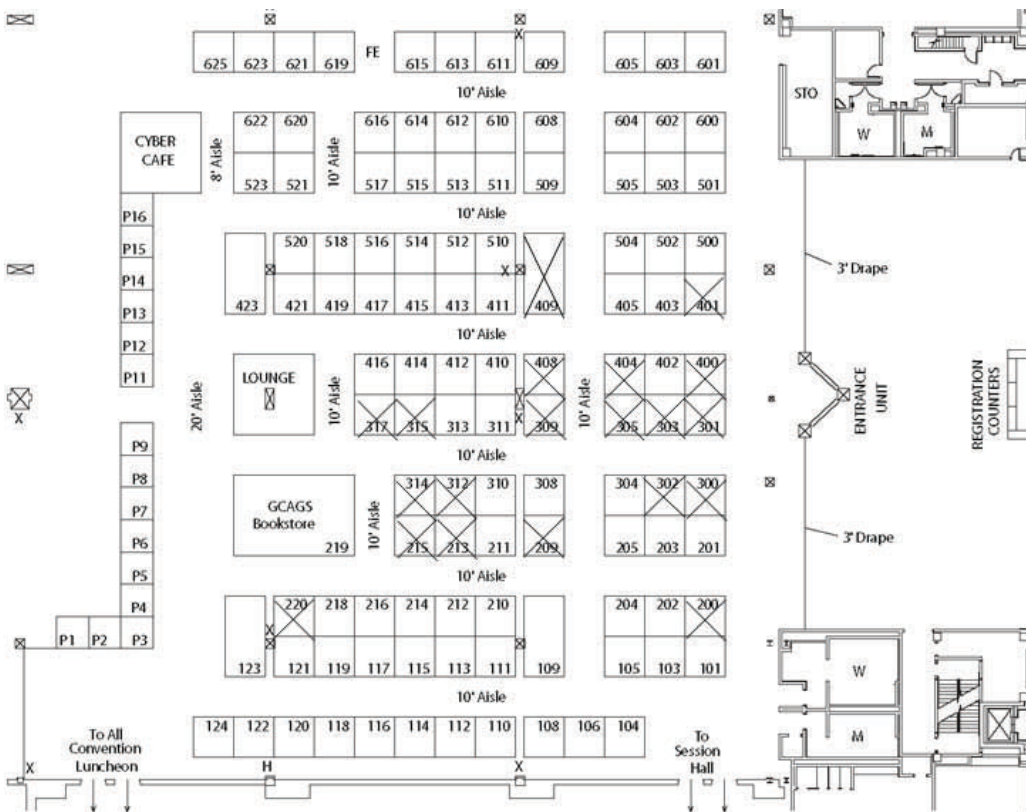

Exhibit Hall B, Henry B. Gonzalez Convention Center, San Antonio, Texas
Floor load limit ranges from 125 to 300 lbs./sq.ft.
Electrical service comes from columns as marked on plan

FLOOR PLAN SUBJECT TO CHANGE

All booths are 10 ft. x 10 ft. Islands or peninsulas (booths with aisles on three sides) may be requested for 20x20 or larger. Note that 109, 123, 209, 409 and 423 are the only 10x20 "end cap" peninsulas permitted.

Exhibitors as of 5 March:

- ARKeX
- BP
- CGGVeritas
- Drillinginfo
- GCAGS Bookstore
- Gems & Crystals Unlimited
- Geokinetics
- GETECH
- Global Geophysical Services
- IHS
- Micro-Strat
- NOV
- P2 Energy Solutions
- Seismic Micro-Technology (SMT)
- Tricon Geophysics

2009 Audience Snapshot:			
Owner/Partner	16%	Consultant	4%
Manager	11%	Professor	4%
Senior Geologist	10%	Student	7%
Geologist	24%	Petroleum Engineer	2%
Geophysicist	5%	Retired	1%
		Other (exhibitor, staff)	16%

Reserving space is easy:

- ⇒ Determine your configuration (in-line, 'end cap' or 20x20 minimum peninsula or island)
- ⇒ List your first, second and third choices on the application/contract
- ⇒ Send a check with your contract or wait for an invoice for your deposit and pay online - whichever you prefer

You'll be on your way to getting a jump on the competition and planning for one of the best marketing opportunities the Gulf Coast exploration world has to offer!
